You would be happy with this if you're a MK II fan. A must have for sure. Seller did a great job describing the item which is in great condition considering this guide is from the mid '90s.0 of 0 people found the following review helpful. The book was in Excellent condition. so surpising as its from the 90'sBy AnilThe book was in Excellent condition . so surpising as its from the 90's . thank you very very much1 of 1 people found the following review helpful. Mortal Kombat II : Official Players Guide : 1995By A CustomerThis book is awsome if you own Mortal Kombat 2. It tells you all moves, Finishers, Story lines for all fighters. It also teaches you the fundamentals to mastering the game.
