Well documented and insightful book about one of the most important men during the birth of our new nation. Businessman, Inventor, Philosopher, Diplomat. Any one of his accomplishments would be amazing, But he continued into his 80's working with the delegates to the Continental Congress, to formulate our Constitution. 0 of 0 people found the following review

helpful. Wonderful transactionBy M.A.S.Item as described, arrived within expected time frame and a general overall very smooth transaction1 of 7 people found the following review helpful. Best Biographer EverBy Mary HuntThis is one of the best written books on an historical subject I have ever read.

A charming and captivating biography of Benjamin Franklin that focuses on specific scenes in Franklin's colorful younger years. 7 cassettes.
