Puzzlefast : Mother's Day Jumbo Print Word Search (Jumbo Print Puzzle Books) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mother's Day Jumbo Print Word Search (Jumbo Print Puzzle Books):

2 of 2 people found the following review helpful. you dont have to be a mom to enjoy it. im not. By vicaroo I love this book for many reasons. 1. It is really jumbo print! I can see it very easy. 2. Its educational. Tells facts stories ma day related. 3. It is not easy. There are no lists of words to look up. There are facts quotes etc with some of the words underline which you find in the puzzle. 4. In back of the book are all facts quotes etc again so you can keep the info without the puzzle if you want. Never saw that before. They also have a bible scripture puzzle books that dont have this feature-i wished they did or at least a list of scriptures. I already ordered the fathers day book. I hope i will enjoy it also.
