It will take some time to play all of the songs. I find the music sheets easily playable on electric piano, bass and accoustic guitar. The print isn't

large, but adequate. The hit songs included are way too many to list here. Buy the book; I don't think you'll be disappointed. I'm not.

This is a great buy and to purchase a single copy of 4 different songs, that amount would exceed the amount I paid for the entire book. This book has a lot of familiar songs and a few that I didn't know.

Great book for out neighborhood sing alongs. Very nice selection of songs. Definitely not a beginner book. I'm an intermediate player. Found the arrangements good, not too hard not too easy. Just right.
