book
By cupcake Great thought it had a code but great starter book
23 of 24 people found the following review helpful. I like it but...
By Adele Howard I wish they would make one that is more up to date because this one had things in it that

were from like when MovieStarPlanet was just made. There has been many more updates and has changed a lot. It was still fine but I would of liked it a lot more if it was more up to date.

The ultimate guide to the coolest hangout on the web! Includes a cool poster and stickers, as well as everything you need to know about MovieStarPlanet!
