From Hal Leonard : Mozart - 15 Easy Piano Pieces (Schirmer Performance Editions Series) with online audio before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mozart - 15 Easy Piano Pieces (Schirmer Performance Editions Series) with online audio:

0 of 0 people found the following review helpful. Most are Intermediate, Not Easy By Zoaster In my opinion half or more of the pieces are not "easy" and a definitely not for beginners. There are about as many pages on history, notes, and advice on how to develop "style" as there are pages of sheet music. The book rather than simplifying widely known pieces instead presents largely original scores of early simpler works. So while these are certainly less complicated

than Mozart's latter work, I still find it difficult to call several of them "easy". Well, one man's easy is another's intermediate I suppose. Unfortunately the available "look inside" feature doesn't show the actual sheet music so one is left to accept the title's word for it that the works are in fact "easy". I disagree, most of them are not easy..2 of 2 people found the following review helpful. Mozart is my hero! This book is incredible.By K. A. MorganI am returning to the piano after 20 years so I knew I needed a lot of coaching. I also absolutely love Mozart so these pieces seemed like the ideal place to start. When I opened the booklet and found the CD with the pieces played on it so I could hear how they were supposed to sound I was overjoyed. Then, of course, I needed a metronome and , guess what? There's an app for that! I am overjoyed and now have the tools to bring my playing up to new levels of competency.2 of 2 people found the following review helpful. Selection is good, and quality of printing is goodBy ScmxSelection is good, and quality of printing is good, but the pieces are over-edited. The additional markings both make the printed music cluttered, and also provide some direction that is subjective. Would much prefer either having the edited marks printed in grey, or screened, or just printed without.

(Schirmer Performance Editions). This collection of remarkable jewels by Mozart will be invaluable to teachers and students. The book features some of Mozart's earliest works, a few of which were composed when the young Wolfgang was only six years old. Already present are signs of remarkable taste and talent: beautiful melody, impeccable formal construction, and unsurpassed elegance. These pieces are wonderful tools for teaching articulation, independence of the hands, and the classical style. Recordings of this literature are difficult to locate, so this pack includes online audio access to beautifully refined recordings by the editor. Contents: Air in A-flat major (KV Anh. 109b Nr. 8 15ff) * Allegro in B-flat major (KV 3) * Allegro in F major (KV 1c) * Andante in C major (KV 1a) * Andante in E-flat major (KV 15mm) * Contradance in G major (KV 15e) * Larghetto in F major * Minuet in B-flat major (KV 15pp) * Minuet in C major (from KV 6) * Minuet in D major (KV 7) * Minuet in D major (KV 94 73h) * Minuet in E-flat major (KV 15qq) * Minuet in F major (KV 2) * Minuet in G major (KV 1e/1f) * Minuet in G major (KV 15c) * Minuet in G major (KV 15y)
