From Music Minus One : Mozart - Twelve Duets for Two French Horns (Music Minus One (Numbered))

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mozart - Twelve Duets for Two French Horns (Music Minus One (Numbered)):

0 of 0 people found the following review helpful. Must have for all horn players-also good for trumpeters By Dr. Bob Hacker This is a must have item for all serious horn players. It is also 'easy stuff' for trumpeters; just kidding about the easy because nothing is easy for a serious musician!

(Music Minus One). This marvelous group of pieces for two horns is one of Mozart's most wonderful achievements,

and a treasure for hornists everywhere. Great music in the classical master's inimitable style. Includes a high-quality printed music score featuring both primo and secondo horn parts; and a compact disc with a complete recording, with the secondo horn on the left channel and the primo horn on the right channel, allowing either to be removed; and an additional version in stereo with the secondo horn only as accompaniment. Performed by M. Falout, french horn
Accompaniment: M. Falout, french horn
