before purchasing it in order to gage whether or not it would be worth my time, and all praised Multiplication - Math Crosswords - Math Puzzle Workbook Volume 4:

Allow your child to work on his/her own pace by introducing engaging workbooks like this one. During the first few pages, your child will be playing to understand the rules of the game and also to test his/her math skills. But as the pages are turned and more puzzles are completed, he/she will begin to think more strategically. Test your child. Get a
