before purchasing it in order to gauge whether or not it would be worth my time, and all praised Multiplication - Math Crosswords - Math Puzzle Workbook Volume 5:

Remove the element of pressure and you will help your child learn at a rate that he/she would find comfortable. The problem with school work is that there is time and class pressure involved. That means a child would only want to get answers written without reflecting on whether they are right or not. When you supplement with workbooks at home, chances of errors in school are substantially minimized.
