MINUETS WALTZES AND SONATINAS. WIDE VARIETY IS USUALLY WHAT YOU DONT SEE. REALLY AN ENJOYABLE BOOK. I HAD 8 YEARS OF INSTRUCTION AND ONLY PLAYED CLASSICAL MUSIC. THESE WALTZES ARE FABULOUS. 1 of 1 people found the following review helpful. Ok, but the print is.

From a bad edition and it looks like a bad photocopyBy RalphUseful collection with nicely selected pieces, although i found some wrong notes, and awkward notations, so not sure of the quality of the edition. If you enjoy a particular piece and want to perfect it, best buy the Henle edition. But it's ok to learn the notes and decide where you want to eventually take the piece.1 of 1 people found the following review helpful. Great Piano BookBy jennypThis is a great preview into classical music. It's the kind of piano book I still pull out to play at times. An intermediate level.

This consistent top-seller includes 65 works by these famous composers: C. P. E. Bach, J. S. Bach, Beethoven, Chopin, Grieg, Handel, Haydn, Mendelssohn, Schubert , Schumann and Tchaikovsky. Excellent, motivating literature for the intermediate pianist.
