was going to be more of a complete orchestra ... It's just an ensemble. Okay though. Very good quality sheet music. 2 of 2 people found the following review helpful. Music minus one Flute or Alto recorder Telemann suite A minor Gluck and Pergolesi By P. T. Another great music minus one or play along book for the recorder player the selection in this volume is beautiful, you have enough material to practice and work on for the rest of your life, some pieces are rather easy to sigh read than others. The beauty of Gluck's Orpheus is by itself worth getting it, a swan song, I understand this was the last piece written for a recorder back them. Whether you play the flute or the recorder you will enjoy this volume.

Perform timeless Flute works with a full orchestra! Perfect for practice, rehearsal, auditions, contest solos, performances, and more! These three pieces explore diverse corners of the Baroque and early Classical repertoire, from Telemann's Baroque Suite in A minor to the famously magical scene from Gluck's Classical opera Orfeo ed Euridice (Orpheus); and Pergolesi's Baroque-era Concerto in G major. A must! Includes a newly engraved printed music score printed on high-quality ivory paper; and two compact discs containing a complete performance in digitally remastered stereo, and a second performance minus the soloist.
