From Dsch : Music to the Film "Alone" Op. 26: New Collected Works of Dmitri Shostakovich - Volume 123 (Dmitri Shostakovich New Collected Works, Volume 123) before purchasing it in order to gage whether or not it would be worth my time, and all praised Music to the Film "Alone" Op. 26: New Collected Works of Dmitri Shostakovich - Volume 123 (Dmitri Shostakovich New Collected Works, Volume 123):

0 of 0 people found the following review helpful. New Babylon or Alone? By P. Beks The series of the New Collected Works is a marvelous edition. There's something strange however with Volume 123. I ordered the Music to the film "New Babylon" and I received the Music to the film "Alone". As I try to collect them all, I don't bother, but the ISBN

number and the volume number can be found on various sites with both the titles. I wonder how to order the Music to the film "New Babylon".

(DSCH). This volume is part of an ambitious series by DSCH, the exclusive publisher of the works of Shostakovich. Each volume contains: new engravings; articles regarding the history of the compositions; facsimile pages of Shostakovich's manuscripts, outlines and rough drafts; plus interpretations of the manuscripts. In total, 150 volumes are planned for publication.
