Wayne Dufault : Mutuel Understanding: A Beginner's Guide To Pari-Mutuel Betting before purchasing it in order to gage whether or not it would be worth my time, and all praised Mutuel Understanding: A Beginner's Guide To Pari-Mutuel Betting:

0 of 0 people found the following review helpful. Mutuel UnderstaningBy Randy L. BirchThis book is the first I have ever seen that really is geared to the first time pari-mutuel player. A great help for the first time player.

This is not a book about handicapping the races. Rather, its purpose is to prepare novice bettors for their next visit to

the track. Those who have already visited the track might also profit from some of the lessons presented. You'll also find some humorous track stories, and even a political rant or two thrown into the mix. The author has worked as a mutuels teller for more than 40 years.
