Max Alberti : NABUCCO (OVERTURE) FOR ORCHESTRA SCORE before purchasing it in order to gage whether or not it would be worth my time, and all praised NABUCCO (OVERTURE) FOR ORCHESTRA SCORE:

0 of 0 people found the following review helpful. NOT FOR CONDUCTING, LOW QUALITYBy bob bigalardWhen I received this item the first thing I noticed is that it is VERY small. It is only about 6 inches tall.The quality is not very good either, and there is many inconsistencies between parts and some notes and dynamics are different from the original score on IMSLP. Too small for most practical purposes.Save yourself some frustration and buy a bigger and higher quality score.

A group of resourceful kids start "solution-seekers.com," a website where "cybervisitors" can get answers to questions that trouble them. But when one questioner asks the true meaning of Christmas, the kids seek to unravel the mystery by journeying back through the prophecies of the Old Testament. What they find is a series of "S" words that reveal a "spectacular story!" With creative characters, humorous dialogue and great music, The "S" Files is a children's Christmas musical your kids will love performing.
