Bryan Dawson : **Naruto: Rise of a Ninja: Prima Official Game Guide (Prima Official Game Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Naruto: Rise of a Ninja: Prima Official Game Guide (Prima Official Game Guides):

0 of 0 people found the following review helpful. Five StarsBy Katelynhave the game had to have the guide.4 of 5 people found the following review helpful. USELESS GUIDEBy Jonathan AcevedoUsually these Prima Guides are on point, but this guide for Naruto: Rise of a Ninja is absolutely useless. It doesnt tell you where to find things or missions, at best it briefly describes the tasks and never explains what to do, how to do something, or where to find things. On one of the most annoying Social Missions which was a race thru the water-fall area for the second time it says, "finish the race and collect reward." Oh really? I didnt know I was supposed to finish a race thanks a lot

Prima!!...Dont even bother buying this I wasted my money.The only positive thing is the multiplayer strategies, other than that if you wanted a walkthrough just find a much better, in depth one online.

Complete walkthrough of all ninja quests and social missions. In-depth fighting strategies for all 11 ninja. Maps of Leaf Village and the surrounding areas. Ninja combat strategies for maximizing taijutsu efficiency! Manga excerpts inside.
