Siegmund von Hausegger : Natur Symphonie before purchasing it in order to gage whether or not it would be worth my time, and all praised Natur Symphonie:

Title: Natur Symphonie Composer: Siegmund von Hausegger Original Publisher: Leuckart The complete score to Hausegger's Natur Symphonie as originally published by Leuckart in 1910. Performers Reprints are produced in conjunction with the International Music Score Library Project. These are out of print or historical editions, which we clean, straighten, touch up, and digitally reprint. Due to the age of original documents, you may find occasional blemishes, damage, or skewing of print. While we do extensive cleaning and editing to improve the image quality, some items are not able to be repaired. A portion of each book sold is donated to small performing arts organizations

to create jobs for performers and to encourage audience growth.
