**Ruth Binney : Nature's Ways: Lore, Legend, Fact and Fiction** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nature's Ways: Lore, Legend, Fact and Fiction:

0 of 0 people found the following review helpful. Great condition.By GWMy husband loves this kind of book. Great condition.

This is a fascinating and absorbing miscellany of traditional wisdom, proverbial sayings and modern science that uncovers the truth behind many generations' worth of superstitions and customs relating to plants and animals. The huge variety of universal themes in this book will assure general, mass-market appeal. Popular pocket format, fantastic

price point, attractive presentation, and intriguing subject, all combine to make this an ideal gift.
