Russo Not Bad! has all the plays in it, which i really needed, plus all of the superstar moves! 3 of 5 people found the following review helpful. It's okay, not much information really. By Kevin C. Li I think this book is kind of thin. I read through it once and it is not a really good guide because the information is not really enough and some information is missing. In this book, they mainly just say how each team do in the upcoming season and some little hint for playing for each team. But overall, it is still okay to get this.
