About the Author
Cheeta the Chimp was just a baby when he was snatched from the Liberian jungle in 1932 by the great animal importer Henry Trefflich. In 1934 Cheeta appeared in his first of many Tarzan movies, *Tarzan and His Mate*. Cheeta finally retired from the big screen after the 1967 film *Doctor Dolittle*. The oldest living chimpanzee ever recorded, Cheeta, now seventy-six, is retired in Palm Springs, where he has reinvented himself as a globally acclaimed abstract painter.
