Keillor cds recently after remembering again how much I liked hearing his stories By Carrienne HI ordered a bunch of Garrison Keillor cds recently after remembering again how much I liked hearing his stories. This particular cd has a couple darker stories as well as uplifting ones but all are well done. This cd is the first one (from the pile I purchased) I listened to since receiving them yesterday. My favorite is the second story. So glad I bought them. 1 of 1 people found the following review helpful. Baby Crying in background! By robI wanted to love it, but there was a baby crying during the live recording for the first two tracks. Maybe my hearing is too sensitive, but I found that very distracting. 2 of 2 people found the following review helpful. Perfect for Lake Wobegon Fans By ElFratI have owned the Winter CD for several years and love it. The Fall CD is just as great. It's a wonderful collection of five stories capturing the season and its themes. I am very pleased with how quickly it got to

me. I plan on ordering Spring and Summer later this year.

Funny and touching, these monologues from original live broadcasts of A Prairie Home Companion focus on the fall season. Includes: "Giant Decoys," "Daryl Tollerud's Long Day," and "Thanksgiving."
