I have the cassette tape set and he grew up listening to these stories and laughing over them with me. Now his son is that age and he wants to pass on the tradition. They have already begun listening and enjoyed these stories together. I never tire of hearing them and the entertaining way Garrison Keillor develops the characters and the interlinking narratives. My favorite on this season's stories is "Me and Choir."0 of 0 people found the following review helpful. Winnebago story is hilariousBy J.
