Nirvana : Nirvana: Unplugged in New York [Recorded Versions/Guitar: Authentic Transcriptions with Notes and Tabulature] before purchasing it in order to gauge whether or not it would be worth my time, and all praised Nirvana: Unplugged in New York [Recorded Versions/Guitar: Authentic Transcriptions with Notes and Tabulature]:

4 of 4 people found the following review helpful. It's ok. By rmeese5 This is a good start to learn how to play the songs, but it is full of errors. A lot of errors. Fortunately you can watch the video while looking at the tabs and easily see how to correctly play it. 0 of 0 people found the following review helpful. Struck Gold By Bekah My boyfriend loves

Nirvana and this is his favorite concert ever. Finding this was like striking gold. He seems to enjoy it and find it comprehensive enough. If you know someone who loves guitar and Cobain do it. You won't regret it. 0 of 0 people found the following review helpful. Four Stars By Anthony Martin Everything is accurate except. The man who sold the world. Other than that my son loves it.

(Guitar Recorded Versions). Guitar tab for 14 songs, plus photos from the MTV sessions.
