Finally I got a sheet music for me to master TRILLS. Yes! Good practice for my fingers :)By G. JonesEasy to play.1 of 1 people found the following review helpful. Good editionBy Willy Sit is a very good edition, similar to the real one. i'm very satisfied about this product, I recommend it.

Composed in 1830 and published without opus number, this beautiful nocturne is one of the easier of the collection to play, featuring Chopin's rhythmic, lyrical melodic style, ornamentation, and scale passages. Performance helps are included.
