My wife and I are musicians and it's nice to find a book that covers all of the instruments in the orchestra in a respectable way. We bought two extra copies to give to friends with kids similar aged.1 of 1 people found the following review helpful. Delightful and educationalBy Susan EklundDelightful! My two year old granddaughter loves this as well as the companion books. Names all the animals and instruments. And, the tune is something we all enjoy even when it is played over and over with love.0 of 0 people found the following review helpful. Four StarsBy whitney stensgaardlots of fun for my toddler!

This book is a great introduction to music.. Each button introduces a new orchestral sound. A charming musical book fun to share with your little one.Book Details:Format: HardcoverPublication Date: 1/1/2013Pages: 10Reading Level: Age 3 and Up
