Contains tremendous volume of useful information.By soflalawGreat source of information, Volume II definitely serves as a helpful update supplement to Volume I. Tons of information. Both volumes led me to purchase software developed by the author.2 of 4 people found the following review helpful. Norm's Blackjack books are a must read!By Charles BaileyI have a large number of Blackjack books and I rate Norm's books some of the best...They are a must read for a person that wants to improve their blackjack game...This goes for beginners and pro's alike...3 of 6 people found the following review helpful. THE BEST BJ BOOK EVERBy LA DANThe book is for beginners and experts.You can start as a beginner and become an expert at your own pace.Buy the Casino Verite BJ Solftware with this book and that will complete your library on BJ forever!!!!!!!!!!!!!!LA DAN
