Patricia Bentley : Nostalgic Large Print Kriss Kross Puzzles: The 1960s before purchasing it in order to gauge whether or not it would be worth my time, and all praised Nostalgic Large Print Kriss Kross Puzzles: The 1960s:

0 of 0 people found the following review helpful. So far I've found 4 errors which is slightly disappointing - very good otherwise! By David W. Nesbitt This was a little gift for my wife for Easter. This has great subject matter - it allows me to reminisce with my husband while doing the puzzles. The fifty puzzles are more challenging than the usual Kriss Kross puzzles - harder but not too hard! I have been using a pencil so far due to the puzzles being a little harder. I have completed about 25% of them so far and was disappointed to find there are 4 minor errors out of 13 puzzles - perhaps the author needs a proofreader? The errors included a word left out of the search list to a puzzle not being blacked out when it should have been. But all in all it has been very enjoyable so far! This has been a blast from the past - subjects have included Dudley Do-Right, Mister Magoo, Go-go boots, Maxi coats, Teaberry gum, Super ball (the high bouncing one!), Planet of the Apes (movie), Ding-A-Ling, Flower Child, etc.. Because of the errors I will rate this a 8.5

to 9.0 - if there weren't any errors I would have added 0.5 points! My wife dictated this to me this morning.
