Best large print formatBy RedGardenThe format of words on the left pages and the grid of letters on the right pages is preferred by my 90-year-old mother. I'm grateful for the word search publishers who let you "look inside" before buying.0 of 0 people found the following review helpful. "Larger" Print, but not super large, great content...By ChicagogirlI Bought this for my elderly Mother. The print is larger than the standard word finds, but not really super large, like I was hoping for. This is a great word find for an elderly person, as sometimes a word or name from the past, can stir up a memory. My Mom had a great time with this word find, working one whole page, and completing that page-in about an hour. A great gift for a parent or grandparent...0 of 0 people found the following review helpful. Fun bookBy Lucinda RideoutThese books are fun. One should make copies of pages to mark on so they can be used again and again.
