Conrad Wilson : Notes on Bach, Mendelssohn and Brahms: 20 Crucial Works (Notes On... S) before purchasing it in order to gage whether or not it would be worth my time, and all praised Notes on Bach, Mendelssohn and Brahms: 20 Crucial Works (Notes On... S):

Three volumes in a series about the life and key works of the worlds greatest composers.

Conrad Wilsons blend of erudition, wit and scrupulous accuracy, laced with racy anecdotal evidence, makes his writing approachable, whichever level of engagement the reader has with classical music. These volumes will be invaluable. (John Wallace)I hugely admire Conrad Wilsons writing, and he ably achieves his aim of widening the audience for classical music. (Sir Brian McMaster)
