NPR : NPR Driveway Moments Love Stories before purchasing it in order to gauge whether or not it would be worth my time, and all praised NPR Driveway Moments Love Stories:

Love in all of its forms By emmejay An audio anthology of essays from NPR about love in all of its forms, the "driveway" referring to stories so good that the listener who arrives home in the middle of one will remain in the car in the driveway and listen to the end. There are 25 essays, about 2 hours, and it's the fastest 2 hours you'll know unless you limit yourself to a few at a time. All were interesting, and perhaps half developed a "driveway"-worthy narrative. I was most disappointed to hear Lyndon Johnson's love letters to his future bride when all I could hear in my mind were his inappropriate phone calls to widowed Jackie Kennedy. I was most happily surprised by the story of how Alzheimer's, decades after an acrimonious divorce, can replace the acrimony with tenderness. I was most heart-broken AND heart-warmed by the last story, about the foreign adoption of a child. Makes me interested to listen to some of NPR's other Driveway anthologies. 0 of 0 people found the following review helpful. I love the Driveway moments series of audiobooks By NCI love the Driveway moments series of audiobooks. These are touching, sweet, funny and surprising. This collection of love stories makes a wonderful Valentine's Day gift. I loved David Sedaris, Bailey White and the firefighters in love. These many short pieces come from all different NPR radio shows. I loved them when I first heard them on the air and am delighted to be able to hear the stories again and to share them with friends. I was thrilled to win this from LibraryThing's giveaways.

If you listen to NPR, you've had at least one driveway moment. You're sitting in your parked car, hooked by a story, needing to hear it all the way through. NPR celebrates the emotional bonds we share with this audio valentine that will warm hearts all year round. The story of an ex-monk and an ex-nun who form a family, as told by their son. The story of letters that continue to arrive from all over the world, addressed simply to Juliet, Verona, Italy. The softer side of Lyndon Johnson revealed in his letters to Lady Bird. A writer's true love for her beloved Volvo. The legend of Somalia's lovesick baker and the girl whose love he could not win. Lynda Barry on spring, thunderstorms, memories, and love. This heartfelt edition of Driveway Moments explores the surprising places we find love and the inspiring ways in which our most important relationships flourish.
